MADAV DHAURALI

Front-end Developer / Networking

ABOUT ME

I am an upcoming BScIT graduate passionate about technology, specializing in software development, networking, and cybersecurity. I have hands-on experience implementing network expansions, maintaining IT equipment, and developing efficient software solutions. Skilled in React, NodeJS, Cybersecurity, Web Development, Adobe Photoshop, and SEO for WordPress, I have successfully led teams on various projects, ensuring high-quality outcomes. With a strong grasp of the latest technological trends and Agile processes, I thrive in collaborative environments and aim to contribute to innovative projects.
